

Friends:

At the Bonneville House when springtime comes around we think, Jazz in June—Raz’n in the Grove 2019. The Bonneville House board has already started planning our 30th annual fundraiser. We are excited to celebrate this milestone anniversary.

As many of you know, Jazz in June was a huge success last year. The board set out to totally revamp and revitalize our signature fundraiser. This year we plan to build on this event in an effort to keep it new and exciting. Once again, we are searching for a new and exciting band to bring our partygoers cool jazz for dinner, and a swing’n good time for dancing and relaxing as the evening progresses. Our popular cigar and bourbon lounge will return this year, with new and exciting additions. As always, we will offer fabulous food, wonderful cocktails and a new and improved raffle and live auction.

The Bonneville House board would like to extend to you, your friends, your business or your corporation the opportunity to be a part of this great event. Below is a listing of our sponsorship levels. Please see which you prefer.

The Bonneville House continues to be a great venue for Fort Smith’s finest events. We have expanded our community presence in the last two years to include support of local schools and other community non-profits. We offer community events for children to experience and learn about the Bonneville House, the Bonneville family and Fort Smith history. We are partnering with Morrison Elementary to provide back packs and school supplies as well as Christmas items for students in need. Additionally, we have partnered with UAFS to add two interns to our staff. We also work with non-profits to support their endeavors and provide an affordable venue for their events.

Please consider adding this great fundraising event to your charitable budget. This Spring the Bonneville House will undergo an extensive renovation, inside and out. We are excited to host our June party-goers and debut or completed renovation. The Bonneville House board thanks you for your consideration in making a tax-deductible contribution.
